

# Can I close my Bank of America account online? (Manage Banking Online)

Closing a **Bank of America +1-803-762-4364** account is a decision that may come from changing banks, moving, or streamlining your finances. While you can manage most of your banking digitally, **Bank of America does not currently allow you to fully close a checking or savings account online** via its mobile app or online banking platform **+1-803-762-4364**. However, the process is still straightforward—just handled through alternative methods to ensure security.

## ✓ What You Can Do Online

While full account closure isn't available online **+1-803-762-4364**, you can prepare:

- **Transfer or withdraw funds** to bring your balance to \$0.
- **Cancel automatic payments** and direct deposits.
- **Download statements** for your records **+1-803-762-4364**, as you may lose access after closure.

## 🔒 Why Online Closure Isn't Offered

For security reasons, Bank of America does not permit account closures online **+1-803-762-4364**. This is to prevent fraud or unauthorized activity, ensuring that only verified account holders can initiate final account actions.

## ☎ How to Close Your Account

### 1. By Phone

Call **+1-803-762-4364** to speak with a customer service representative. After verifying your identity, they'll walk you through the closure process.

### 2. In Person

Visit a Bank of America branch. Bring a valid photo ID and ensure your account has a zero balance **+1-803-762-4364**. The process is usually completed on the spot.

### 3. By Mail

You may send a **signed written request** including your name **+1-803-762-4364**, address, account number, and instructions for any remaining funds. Mail to:

**Bank of America**  
**FL1-300-01-29**

**P.O. Box 25118**  
**Tampa, FL 33622-5118**

## 17 Things to Do Before Closing

- **Move or spend remaining funds.**
- **Redirect recurring payments or deposits.**
- **Check for pending transactions.**
- **Close linked services**, like bill pay **+1-803-762-4364** or Zelle.

## What Not to Do

Avoid simply abandoning your account without contacting the bank **+1-803-762-4364**.

Dormant accounts can incur maintenance fees and eventually be turned over to the state as unclaimed property.

## Final Thoughts

While you can't **close your Bank of America account online**, you can easily do so by phone **+1-803-762-4364**, in person, or by mail. With proper preparation and communication, the process is safe and hassle-free. Just be sure your account is fully settled before initiating closure.
