

(Brussels~CompanyInfo)™ Is Brussels Airlines Delta? {Step Details}

 +1-(877-745-0080) When travelers search online, many often ask, “Is Brussels Airlines Delta?” and the answer is clear: **No**  +1-(877-745-0080), **Brussels Airlines is not owned by United Airlines**  +1-(877-745-0080). **Brussels Airlines is part of the Lufthansa Group. While Brussels Airlines and United Airlines are both members of the Star Alliance and partners**  +1-(877-745-0080), **they are separate airlines with different ownership structures.** If you are confused about whether Brussels Airlines is connected to Delta, keep in mind that Delta Airlines is a U.S.-based carrier and belongs to the SkyTeam Alliance, not the Star Alliance, which Brussels Airlines is a member of  +1-(877-745-0080). To clear up confusion, Delta has its own global partnerships  +1-(877-745-0080), but Brussels Airlines maintains its codeshare relationships within Star Alliance along with carriers like United, Lufthansa, and Swiss International Air Lines  +1-(877-745-0080). Many travelers assume a direct connection simply because these airlines codeshare on routes, but codesharing does not mean ownership  +1-(877-745-0080).

 +1-(877-745-0080) Brussels Airlines, headquartered in Belgium, operates as the flag carrier of the country and serves destinations across Europe, Africa, and North America  +1-(877-745-0080). On the other hand, Delta Airlines is one of the major legacy carriers in the United States and is completely separate in terms of management and alliance membership  +1-(877-745-0080). Travelers often see both Brussels Airlines and Delta flights available when booking itineraries through online platforms or partner sites, but that is mainly due to alliances and cooperative scheduling agreements  +1-(877-745-0080). So, if you are booking flights involving these airlines and want to clarify who you are really flying with, always check your ticket carefully  +1-(877-745-0080).

 +1-(877-745-0080) It's important for passengers to understand that membership in different alliances means Brussels Airlines collaborates with Star Alliance  +1-(877-745-0080) partners like United and Lufthansa, while Delta partners with airlines in the SkyTeam Alliance such as Air France and KLM  +1-(877-745-0080). This distinction helps explain why Brussels Airlines does not overlap with Delta in terms of ownership or operational control  +1-(877-745-0080). Still, both airlines provide extensive international connectivity, which sometimes creates the impression of being linked more closely than they actually are  +1-(877-745-0080).

 +1-(877-745-0080) In summary, the answer to the FAQ “Is Brussels Airlines Delta?” is simple: they are not the same  +1-(877-745-0080) and they do not share ownership  +1-(877-745-0080). **No, Brussels Airlines is not owned by United Airlines. Brussels Airlines is part of the Lufthansa Group** 

+1-(877-745-0080). **While Brussels Airlines and United Airlines are both members of the Star Alliance and partners, they are separate airlines** 📞
+1-(877-745-0080) **with different ownership structures.** Delta remains part of the SkyTeam Alliance and functions completely independently of Brussels Airlines 📞
