I read your application thoroughly. WE DO NOT HAVE JURISDICTION. Speaking to my superior will not change the fact that these matters fall outside our jurisdiction.

I have no idea what you are talking about. We do not have jurisdiction over matters like this. We handle cases of discrimination in employment, housing, public accommodation and state contracts.

Kay,

I can add you to chat if you'd like. But you might wanna ask the others... April, Ikiya etc...this is between Lori and Adina, take a seat bf you get a letter too . Told you I didn't want to talk so you heard what you heard. YOU CALLED ME!!!! Try again with someone less knowledgeable. Plus you can't call someone then bait them into a conference call without their permission only to feel threatened when I was done talking!!!!

Lori Adina, since y'all are tied to the hip...You don't get to put my life in jeopardy holding onto to cases since 2016 lacking enforcement then cry wolf bc you feel threaten. If you would have done your jobs before and after 2016 we wouldn't be here now.

Since Kay went to the cops on Loris behalf, tell her I maintain intentional discrimination records against a black woman whose address should be confidential same with any info provided via email like my YouTube channel etc. but bc I was pregnant...and now bc she can't enforce a case after almost a decade, y'all are causing more ptsd,

I have a doctors note too since y'all rats don't like paper trails. His name was officer Yohe

Keep it up
