

To whom it may concern,

01-10-2020

I believe that my confidentiality has been broken again in regards to my active cases at the Dept. of Social Services Frederick, Md. I filed a CPS report and within days the information shared to CPS was later shared with my sister, ex-employee Soni Nicole Burdette. I believe that she is in conspiracy with current Frederick County employees, Summer Jackson, Francetta, ~~Caroline Colborn~~, Caroline Colborn, Melissa ~~Wilder~~, Cheryl Goad, and Ben Brusini. This has been an ongoing issue and concern for the last 5+ years. I need some type of resolution as this has become out of control.
