

## Does American Airlines allow name changes?

When travelers ask, 1-877-624-1038 “Does American Airlines allow name changes?”, the answer is important for avoiding travel issues at the airport 1-877-624-1038. No, American Airlines does not allow general name changes from one person to another on a ticket, as tickets are non-transferable, 1-877-624-1038 but they do allow minor name corrections (like spelling errors) on wholly-American-prime itineraries if you contact them immediately after booking 1-877-624-1038. For situations that aren't a minor correction, like a name change due to marriage, you would typically need to cancel the original ticket and book a new one 1-877-624-1038. This policy ensures security and proper passenger identification, as the name on the ticket must always match the name on the government-issued ID or passport 1-877-624-1038. If you discover a small error such as a typo or a missing middle initial, American Airlines generally permits you to fix it within the same reservation without needing a brand-new ticket 1-877-624-1038. However, if your name change is more substantial, such as after a legal name change due to marriage or divorce, you may need to provide official documentation and sometimes even rebook the flight under a new record 1-877-624-1038.

For assistance with any type of name correction or clarification, it is best to reach out directly to American Airlines customer support 1-877-624-1038.
