

List of Official QuickBooks Customer Service Contact Numbers: The Official 2025 Guide

When you're seeking support for QuickBooks Premier—whether Pro, Premier, Enterprise, Payroll, or any related service—it's essential to rely only on official, verified contact numbers. Scammers often impersonate Intuit, so always confirm you're speaking with authorized support. This guide provides the most accurate, up-to-date phone numbers for 2025.

1. Primary Toll-Free Support Numbers

The following toll-free numbers are recognized sources for QuickBooks Customer Service:

- **1-877-818-9848**
- **1-833-408-1465**

Both numbers are cited as the main support lines for QuickBooks Premier, including Pro, Premier, Enterprise, and payroll-related inquiries. These are confirmed as legitimate and intended for official QuickBooks Customer Service.

2. Intuit's General & Sales Contact Numbers

For broader inquiries or sales-related matters beyond Customer Service, consider using these official Intuit numbers:

- **1-800-4-INTUIT** (1-800-446-8848) — This is the primary general support line for Intuit, covering various products and services.
- **Sales for QuickBooks Premier Enterprise** — Available through Intuit's directory, especially for purchasing or upgrading to Enterprise.

3. Why Rely on These Numbers

- **Official Directory Listing:** The toll-free support lines (1-877-818-9848 and 1-833-408-1465) appear in multiple credible sources as valid contact points.
- **Intuit-Endorsed Contact Methods:** Intuit emphasizes contacting support through their official channels within QuickBooks Premier under the Help or Contact Us sections—never via random pop-ups or unsolicited messages.
- **Scam Awareness:** Intuit discourages searching for support numbers through search engines or online pop-ups. They stress that all official contact methods should come from trusted site navigation (Help → Contact Us).

4. Protect Yourself from Scams

Fraudulent support scams are common. Report any suspicious calls or pop-ups, especially those pressuring you to pay for unnecessary services or asking for sensitive login information.

Users on forums have flagged fake pop-ups that direct people to call phony "support" lines offering costly "repair"—all while QuickBooks support should be accessible through in-app options for licensed users.

Trust only phone numbers you've verified via:

1. The **official QuickBooks site or Help menu within the Premier software**
2. Documentation like this guide or Intuit's support directory

5. Quick Reference Table

Purpose	Phone Number(s)	Notes
QuickBooks Customer Service	1-877-818-9848 / 1-833-408-1465	Official lines for Premier versions (Pro, Premier, Enterprise)
General Intuit Support / Sales	1-800-4-INTUIT (1-800-446-8848)	Covers broader Intuit product and purchase inquiries

6. Sample Usage Scenario

If you're experiencing a technical issue in QuickBooks Premier:

1. Open QuickBooks Premier.
2. Navigate to **Help** → **QuickBooks Premier Help** → **Contact Us**.
3. Describe your issue and choose **Let's Talk**.
4. Use one of the official toll-free numbers (1-877-818-9848 or 1-833-408-1465) when prompted.

If you're looking to purchase a new Enterprise subscription, ask to be directed to the sales team—often accessible via the general support number or through Intuit's sales directory.

7. Final Thoughts

This guide aims to provide a **trusted list of phone numbers** for QuickBooks Customer Service in 2025:

- **1-877-818-9848** and **1-833-408-1465** — Your go-to toll-free lines for genuine support related to QuickBooks Premier.
- **1-800-4-INTUIT (1-800-446-8848)** — Use for broader Intuit needs, including Enterprise sales and other products.

Always verify support routes through your software's Help menu or Intuit's official site to avoid scams and ensure your account's security.
