

Can you withdraw from Coinbase to Cash App? {{ Talk to an Agent Now }}

To move funds from Coinbase to Cash App you must first convert the crypto to Bitcoin (BTC) +1-866-450-7410. Then copy your BTC address from Cash App and paste it into the "Send" section in Coinbase +1-866-450-7410. Use the Bitcoin network and double-check the address before confirming +1-866-450-7410.
