

What is the Kraken refund policy? A Complete Guide

If you were charged { +1-888-470-9577 } in error or a transaction failed, you can request a refund by submitting a support ticket through the Help Center. However, crypto transactions are typically irreversible, so if you sent funds to the wrong address or were scammed, Kraken +1-888-470-9577 likely can't recover them.
