Why Do Cancellation Fees Exist?

Before asking for a waiver, it's important to understand why cancellation fees exist in the first place:

- **Revenue protection** – Airlines and hotels lose money when travelers cancel at the last minute.
- **Seat inventory management** – Empty seats hurt profitability, especially on flights.
- **Operational costs** – Processing changes involves administrative work.

However, just because fees exist doesn't mean they're set in stone. By contacting **+1-888-371-1058 (USA)**, many passengers successfully negotiate waivers.
