Thank you Ms.Rodriguez for your professional objectivity in resolving this matter . I have included a bank statement for an exempt account and supporting documents. I have also included recent and original allotment letters showing payment to the Maryland account. If you need anything else please let me know and I will email more documents this week to support the long term investigation.

Good afternoon Ms Rodriguez,

I spoke with the Social security office and they stated that a request from the Maryland DHS office needs to be made by the Social Security liaison that is in your office. Could you please provide me with the name, phone number and email address of the individual so that the information can be requested and validated from the Social security Federal Office. Thank you so much and I look forward to hearing back from you soon.

Good morning Mr. Newsome

I will verify that info for you, because I don't know if we have a liaison that I'm aware of.

But again is your case on Social Security, They should give you the document I required and also the disbursement payment record.

Thanks in advance  
Respectfully, Carmen

Hi Ms. Rodriguez,  
I am following up because I still have not received the information about the liaison in your office.

My case is with Social Security can you send me a redacted form, as an example, to show Social Security what you are requesting. I have already provided you with the proof of payment that Social Security provided to me, yet you say that the documents are not sufficient. Please send that information as soon as possible so that I can get you what you need to unfreeze my banking account. Thank you.

Good morning Mr. Newsome

To confirm the information, we don't have a liaison in our office to do this request.  
I just need them to provide a payment history to our agency indicating the money disburse.

Thanks in advance  
Respectfully, Carmen

Hi Ms Rodriguez,

SSA told me this morning that is against the law for me to know the payee account information or disbursement destination and you should know that. Assistant Attorney General Michael Warchol agrees with me that your agency should know where my payments are going because your agency provided the information to SSA. Please send me your Directors name and contact information. Thank you and have a nice day.
