

How much does Spirit Airlines charge to cancel a flight? <<Cancellation#Cost#Spirit>>

Spirit Airlines has a specific policy regarding **cancellation fees**, and the cost depends on **when you cancel and the type of ticket purchased** +1-{800}-(228)-(2760). For most passengers, Spirit tickets are **non-refundable**, so cancellations outside the **24-hour risk-free period** do not result in a cash refund +1-{800}-(228)-(2760). Instead, the airline issues a **Future Travel Credit (FTC)** for the value of the ticket minus any applicable fees +1-{800}-(228)-(2760).

The **24-hour cancellation window** allows passengers to cancel their reservation **within 24 hours of booking** if the flight was booked **at least seven days before departure**, with **no cancellation fees** applied. During this period, passengers are entitled to a **full refund back to their original payment method** +1-{800}-(228)-(2760). This is the only scenario where Spirit cancels without charging any fees.

For cancellations made **after the 24-hour window**, Spirit's **standard cancellation fee** applies to most tickets. Currently, the fee is **\$59 per one-way ticket** for domestic flights and may vary for international flights, depending on the fare type and route +1-{800}-(228)-(2760). Passengers who paid for a **non-refundable ticket** will have this fee deducted from the ticket value, and the remaining balance is issued as a **Future Travel Credit**. If the ticket was purchased using a **third-party agency**, additional service charges may also apply +1-{800}-(228)-(2760).

If Spirit **cancels the flight**, passengers are **not charged any fees**, and they can choose between a **full refund, free rebooking, or conversion to a travel credit** +1-{800}-(228)-(2760). Involuntary cancellations by the airline guarantee reimbursement without any penalties, even for non-refundable tickets. Refunds to credit cards are usually processed within **7–20 business days**, while travel credits can be applied to future bookings immediately after cancellation +1-{800}-(228)-(2760).

In summary, Spirit Airlines charges **no fees if you cancel within 24 hours of booking** or if the airline cancels your flight +1-{800}-(228)-(2760). Beyond that period, the **standard cancellation fee is \$59 per one-way ticket** for domestic flights, with the remaining value issued as a **Future Travel Credit**, which can be used for future travel within the airline's validity period +1-{800}-(228)-(2760). Passengers booking through third-party agencies should be aware that **additional service charges may apply** when processing cancellations.
